- Freezer flap(s): 2, Transparent Plastic
- Flexi-Space: removable glass shelves in the freezer
- Audible and visual warning signal for high temperature
- Audible and visual warning signal for open door
- Other internal features: 2 Accumulators
- Ice cube tray

Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

The Touch Electronic Control on Top offers precise function control

With the responsive and clear display you can precisely set the temperature and effortlessly access the Freezer functions, with the Touch Electronic Control on Top.

Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent accidentally open freezer doors that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
