

### Less frost build-up. Defrost less frequently

The 6000 Upright Freezer utilizes Low Frost technology to minimize frost build up by using hidden cooling circuits that make defrosting easier and needed less frequently.

## Product Benefits & Features

### LowFrost makes defrosting easier, and needed less frequently

Efficient Upright Freezer with advanced Low Frost technology which makes the work of defrosting easier and less often needed by using hidden cooling circuits that minimize frost build up.

- 880 mm built-in height
- For fully integrated, door-on-door installation
- LowFrost technology
- Electronic touch controls with digital indications
- Frostmatic function for rapid freezing
- Freezer drawers: 4 Full Width, Transparent Plast
- Flexi-Space: removable glass shelves in the freezer
- Audible and visual warning signal for high temperature
- Audible and visual warning signal for open door
- Other internal features: Ice scraper
- Ice cube tray

### Store plenty at once. With OptiSpace

This innovative Freezer with OptiSpace offers lots of storage options, and abundant room between shelves. The freezer boxes can all be easily detached and reattached, for effortless and convenient storage.

### The Touch Electronic Control on Top offers precise function control

With the responsive and clear display you can precisely set the temperature and effortlessly access the Freezer functions, with the Touch Electronic Control on Top.

### Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

### More robust, more stable. With safety glass

For optimum stability and day-in-day-out robustness, all shelves are made of safety glass – the best material to ensure perfect reliability.
