

Tailored dishwashing. In just a touch

QuickSelect from AEG ensures optimal settings for every dishwashing cycle. Choose the cycle time with the slider along with any optional treatments. All in just a few taps. Then let the machine do the rest. Enjoy pristine results at a time that's most convenient.

Product Benefits & Features

Customisable eco dishwashing with just a touch

With the 6000 QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

Superior Cleaning and best glass care

Your delicate glasses can not be cleaned in a safer way thanks to AEG SoftGrip and SoftSpikes which perfectly holds your glasses, protecting them from getting damaged.

SatelliteClean®. Powerful dishwashing. Without using extra water

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.

Always know exactly when the dishwasher is done

Thanks to TimeBeam you can be fully up to date on the status of your dishwashing cycle at a glance. While the cycle is still in progress, TimeBeam technology projects the remaining amount of time in a clear red light on the floor. Simple, straightforward and effective.

More Visibility, More Efficient Loading

Instantly see the racks and configurations in your dishwasher courtesy of the interior light. With increased visibility, you can see where best to place your items more efficiently and effortlessly, meaning you can load everything away in one seamless process.
