- Cutlery basket
- Lower basket with 2 foldable plate racks, Plastic coloured handle
- AQUA-CONTROL
- Installation in height
- Anti fingerprint stainless steel finishing
- Panel with symbols
- Indications for salt and rinse aid

Dedicated protection for your delicate glasses

Glasses are often the most delicate items in your dishwasher, which means they need special care. The upper basket in this dishwasher has soft rubber spikes to support and protect glasses. The SoftSpikes stabilise your glasses and mugs efficiently, preventing them from falling over and possibly

Removes more than 99,9999% of bacteria and viruses*

The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes, removing more than 99,9999% of bacteria and viruses*.

Optimise performance with machine care

Maintain optimum performance with the Machine Care cycle. The programme is designed to remove limescale and the build-up of grease. To ensure the dishwasher always performs at its best, with special care detergent.

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.
