

Natural drying with fresh air. For perfectly dry dishes

The 3000 AirDry Dishwasher maximises drying using natural airflow. The door automatically opens 10 cm in the final stage of the cycle, drying dishes naturally and effectively. Dishes dry 3x better than closed-door systems.

Product Benefits & Features

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

- Water sensor detects the level of dirt and adjusts water consumption
- LED display
- AutoOff
- Warm water 60°C
- 5 programmes, 4 temperatures
- Dishwasher programmes: 30 MIN 60°, AutoSense 45°-70°, Eco, Glass 45°, Intensive 70°

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.

Customised Cycles, Complete Cleaning

Advanced sensors in AEG dishwashers automatically adjust the time, temperature and water usage according to the soil level of each load. So you can have customised cycles for each clean with the very best results every time.
