### Plan ahead, thanks to the delay-start function

With this delay-start function, you can plan ahead. So you get clean dishes when you want them, without switching the dishwasher on straight away.

### Ready when you are

Make the most of the time you have available with the delay start function in our dishwashers. Preset a start time, within a 3 hours time span after you have loaded your dishes, and enjoy the convenience of having clean dishes when you want them.
