

### Natural drying with fresh air. For perfectly dry dishes

The 3000 AirDry Dishwasher maximises drying using natural airflow. The door automatically opens 10 cm in the final stage of the cycle, drying dishes naturally and effectively. Dishes dry 3x better than closed-door systems.

## Product Benefits & Features

### Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

- Water sensor detects the level of dirt and adjusts water consumption

### Efficiently clean. In every cycle

The special sensor in our AutoSense program detects how much cleaning your dishes need. Using just the right amount of water, energy and time needed to do the job properly. Meaning dishes are cleaned in the most eco-friendly way possible.

### Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.
