

World's first lift-and-load. Bring the dishes to you

The 9000 ComfortLift® Dishwasher revolutionises dishwashing with the world's first lift-and-load basket. This advanced mechanism lifts the rack to a comfortable height for easy loading and unloading.

Product Benefits & Features

ComfortLift®. Effortless dishwashing. Mastered

This world-leading ComfortLift® gently lifts the lower dishwasher rack up to a comfortable height. For easy loading and unloading. Elevating dishwashing to a whole new level.

- Indications for salt and rinse aid

QuickSelect with WiFi. For total peace of mind

QuickSelect with WiFi sends maintenance notifications and clear step-by-step guides right to your smartphone via the My AEG Kitchen App, so you can remotely run the Machine Care program which helps to keep your dishwasher performing at its best.

Customisable eco dishwashing with just a touch

With the 6000 QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

Customisable space and convenient cleaning with MaxiFlex

The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.
