40006VS-MN FS Cooker

Expert, even results from a professional oven

The MaxiKlasse™ oven with ceramic cooktop combines advanced features to ensure outstanding cooking and baking results.

Professional results thanks to multi-cookware zone

This hob's multi-cookware zone is designed to be used with all your specialised pots and pans, so you can always create the perfect professional dish.

Consistent results at every level of the oven

The New Hot Air system system ensures hot air circulates evenly throughout the extra-large oven cavity, for consistent results at every level of the oven.
