

## HC452021EB BI Hob

### Personalise your kitchen and reach new culinary heights

The hobs CrystalLine modular system provides you with the flexibility you need when designing your kitchen to ensure you can reach new culinary heights.

### Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.

### Intelligent use of power for reduced energy consumption

The Öko Timer enables you to use energy more efficiently by using the hob's residual heat during the last few minutes of the cooking process.
