

HC452601EB BI Hob

Personalise your kitchen and reach new culinary heights

The hobs CrystalLine modular system provides you with the flexibility you need when designing your kitchen to ensure you can reach new culinary heights.

Cook authentic teppan yaki perfectly

With this professional, purpose-designed teppan yaki hob, you can perfectly prepare authentic teppan yaki in your own home.

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.
