

HE604002XB BI Hob

A perfect fit for your pans

With three different sizes of heat zones to choose from, you are better able to use a heat zone that fits your pan perfectly.

An instant overview of where your hob is still hot

Thanks to the forward position of the residual-heat indicators on the hob, you have an instant, clear overview of all the areas on the hob that are still cooling down.

All-in-one controls for both your oven and your hob

To maintain the lines of your kitchen's design, the controls for this hob are integrated into the panel on your oven, so there's no need for any controls on the hob itself.
