

HE834080XB BI Hob

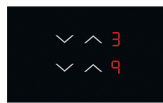

Wide range of cooking options thanks to professional hob layout

This hob provides a wide range of cooking options thanks to the professional layout of the cooking zones – including a large central paella zone.

More flexibility to choose the best hob-oven combination for you

OptiMix™ gives you more options when it comes to choosing your oven and hob – for example, you can combine appliances with different levels of functionality.

Exact heat for impeccable results

Our induction hobs have sensitive touch controls that take you from cool to hot – and back – immediately, letting you make precise changes to make your dish perfectly delicious. Like when you need intense heat for pan-searing steak. And because such precise heat
