

HK614000XB BI Hob

Performance you can depend upon year after year

This ceramic hob has been built to meet AEG-Electrolux's exacting standards. As a result, it will meet all your cooking requirements for years to come.

A wider range of cooking options

Because this hob has cooking zones of two different sizes, you can perfectly prepare dishes using a wider variety of pots and pans.

An instant overview of where your hob is still hot

Thanks to the forward position of the residual-heat indicators on the hob, you have an instant, clear overview of all the areas on the hob that are still cooling down.

Features :

- Fast heating highlight cooking zones
- New XL frame concept OptiFit Frame™
- Rotary knob controls
- Residual heating indicator: 4
- ProBox
- OptiFix™: extremely fast installation concept
- Ceramic glass colour: Black
