

Great taste quicker

Ever wished your ceramic hob heated up faster? Now there's one that does. The new AEG Rapid Power hob has everything you love about ceramic, all cooking zones heat up at high speed, even the bigger zones. So it gets you cooking quicker and gives you the control you need.

Product Benefits & Features

The hands-free hood

The Hob2Hood function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it

Safe and efficient use of residual heat

For each heat zone, the hobs OptiHeat Control tracks the level of residual heat still remaining, enabling you to use this heat more safely and more efficiently.

Put your cooking on hold

If you get interrupted while you're cooking, touch the Pause button. It stops all the heat when you're called away from the hob, so nothing burns. Pause remembers the heat levels you were using, and with another touch you're back on course.

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.

- Independent hob with controls
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Hob²Hood
- Direct Control: sliding touch control technology

- Ceramic glass colour: Black

Product Specification

Installation	Independent	Weight package Corrugated Cardboard	491
Product Number Code	949 597 107	Weight package Paper/Carlton	0
EAN	7332543441907	Weight package Wood	0
Built in height mm	38	Weight package PE	0
Width mm	576	Weight package PP	3
Depth mm	516	Weight package Polystyrene (EPS/EPP)	281
Width cutting	560	Weight package PU	0
Depth cutting	490	Weight package Iron	0
Frame Colour - colour of the frame	Stainless steel	Weight package Rubber	0
Hob type	Ceramic Glass	Protection box model den./PNC	PBOX-6IR/944 189 313
Cord length external	1.5	Country of origin	DE
Type of plug	No		
Total electricity loading	6400		
Left front - Power/Diameter	3000W/210mm		
Rear - Power/Diameter	1600W/145mm		
Right front - Power/Diameter	1600W/145mm		
Right rear - Power/Diameter	1800/2800W/170x265mm		
Voltage	220-240		
Weight gross cleaner and accessories with packaging	8.88		
Weight net cleaner and accessories no packaging	7.82		
Package height	118		
Package width	678		
Package depth	600
