

HKP67420FB BI Hob

Your touch brings it to life

Imagine a glossy sheet of pure ebony glass that blends seamlessly with your worktop. Its cooking zones and touch controls are invisible until your fingertips bring them to life. The AEG MaxiSense Pure hob combines a sleek design with responsive

Versatility for every purpose

Preparing many dishes at the same time or cooking for a dinner party? This hob is made for those occasions when you need more options, with equally tasty results. It's FlexiBridge feature means you can customize your own cooking area, combining up to 4

Smoother, speedier heat shifts

From boiling to simmering to keeping warm: when you need repeated quick heat changes to create a dish, use PowerSlide. Simply slide your pan from heat to heat, without stopping to adjust temperatures up and down as you're cooking. PowerSlide lets you fix different pre-set heats on part of your hob: choose your own, or use the hob's own pre-sets.

More Benefits :

- Perfect cooking results achieved with induction thanks to the fast heat up
