

Exact heat for impeccable results

Induction helps you master any cooking technique faster and can even boil water in under 90 seconds. The heat adjustments are so subtle that they help you produce the finest tastes and textures every time you cook.

Product Benefits & Features

Your perfect cooking partner

Induction helps you master any cooking technique faster. It heats quicker than other types of hobs so you can get on with your cooking straight away. Quick heat adjustments mean you can produce the finest tastes and textures when you cook.

Instant access and precise settings with Individual Touch Controls

With the Individual Touch Controls user interface, you can control each zone individually. Simply place your pot or pan on the hob and control the heat zone using the plus or minus buttons. For delicious results every time you cook.

Quicker heat for extra speed with PowerBoost

No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat, boiling water in under 90 seconds. It's perfect for tasks like boiling a large pot of water quickly.
