

More space. More taste. At once

The 6000 Bridge Induction Hob can easily cope when you're cooking with bigger pans. The Bridge function links two cooking zones on two sides of the hob to fit any large or long pan. The bridged zone will share the same temperature and time.

Product Benefits & Features

DoubleBridge. Makes more of your hob

With DoubleBridge, you can combine two cooking zones on two different cooking areas. Perfect for accommodating cookware of various sizes, the feature also aligns temperature and time settings for maximum flexibility in the kitchen.

Quicker heat for extra speed with PowerBoost

No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat, boiling water in under 90 seconds. It's perfect for tasks like boiling a large pot of water quickly.

Hob timer. Built for precision

The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

Perfectly safe for your children with Child lock

The child safety lock ensures that the hob settings cannot be accidentally changed, so you can use the hob safely when your children are around.
