

IPK94530LB BI Hob

A SEAMLESS SURFACE. FOR SEAMLESS COOKING.

Clean lines. Flush finishes. Illuminating only when in use, black and discreet when switched off. Introducing the FullFit Pure Hob by AEG. The responsive hob is designed to sit seamlessly between kitchen surfaces to achieve a minimalist, modern look. Searing rib-eye or flavouring a jus – there are no gaps in your repertoire and no limits to the recipes what can be served. No

A COMPLETE FINISH FOR EFFORTLESS CLEANING

A seamless fit between hob and worktop with absolutely no gaps makes cleaning up stains and spillages effortless. Just one wipe across the sleek, uninterrupted surfaces removes unwanted residue with nothing burning into the surface or seeping through any cracks. So there can be more focus on the food. And less concentration on cleaning.

Your touch brings it to life

Imagine a glossy sheet of pure ebony glass that blends seamlessly with your worktop. Its cooking zones and touch controls are invisible until your fingertips bring them to life. The AEG MaxiSense Pure hob combines a sleek design with responsive
