

Store your food with a scenic view

This Fridge freezer with French doors have an enlarged capacity so you can store even more food better and as you have the large French doors on it you can get an scenic overview quickly. It makes meal-planning and shopping lists so much simpler to perfect.

Product Benefits & Features

Control what's happening on the inside

See and control what's happening inside your Fridge Freezer with its clear and precise exterior controls.

Chilled water, straight from your fridge

Enjoy fresh and chilled water, straight from your fridge. With a fully integrated water dispenser, the tap in your fridge door provides a supply of fresh, chilled water whenever you like.

Preserve with precision

Preserve produce at the ideal temperature. Select from 0, 3 or 5°C inside the chiller-drawer to maintain the taste and texture of ingredients. With an LED light, finding the right food is faster.
