

Adaptive cooling. Less waste

The 5000 ColdSense Fridge Freezer rapidly returns to the correct temperature after door opening and closing, thanks to precise electronic sensors. This helps to avoid temperature shocks and food spoilage, reducing food waste by up to 20%.*

Product Benefits & Features

ColdSense protects food by quickly restoring the temperature

ColdSense uses precise temperature sensors to rapidly return the Fridge Freezer to the right temperature after door opening and closing. This helps to avoid temperature shocks and food spoilage, helping reduce food waste by up to 20%.*

LowFrost makes defrosting easier, and needed less frequently

Efficient Fridge Freezer with advanced Low Frost technology which makes the work of defrosting easier and less often needed by using hidden cooling circuits that minimize frost build up.

Internal Electronic Control. For cooling precision

The Internal Electronic Control feature gives you full command of the storage conditions of your food. The LED indicators show you the temperature setting clearly for convenient adjustment and control.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.

- 1780 mm built-in height
- LowFrost
- Freezer with Frostmatic function for rapid freezing
- Fan air circulation for even temperature throughout the fridge
- Fruit and vegetable drawers: None
- Refrigerator shelves: 4 Full Width, Foil on Plastic
- Freezer drawers: 3 Full Width, Transparent Plastic
- Flexi-Space: removable glass shelves in freezer compartment
- Automatic defrosting of the cooling compartment
- Door hinges placement: Right & Reversible
- For fully integrated, door-on-door installation
- Fast freeze function
- Audible and visible warning signal for open door
- "longfresh" zero drawer: No
- Other internal freezer features: Ice scraper
- 3 Accessory
