

Control the fridge freezer's all settings

The temperature display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that you can adjust the settings precisely with just the lightest touch of a finger. The display relays feedback about the current temperature and functions selected.

Product Benefits & Features

Adjust the settings until they suit your needs exactly

With separately controlled fridge and freezer compartments, this fridge freezer gives you more control options to choose from. You can set the temperatures to match your own specific preferences, and adjust them as and when your needs change.

Energy-efficient appliance. Benefits you and the environment

This energy-efficient appliance is optimised to consume less energy. Helping you to reduce your carbon footprint and be kind to the environment.

Soft-closing door for correct and quiet closing every time

Accurately crafted door hinges help to prevent accidentally open fridge freezer doors that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

Faster, more efficient defrosting

Time is of the essence when you're defrosting your freezer. To help you keep disruption to a minimum, this fridge-freezer comes with efficient LowFrost technology, which makes the defrosting faster and less frequent as ever before. As a result, you can soon start using your appliance at full capacity once more.

Bright and even light that shines into every corner of your fridge

LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for more space inside and lower

- 1780 mm built-in height
- LowFrost
- Softclosing to easier door closing
- Coolmatic function for quickly chilling fresh food
- Freezer with Frostmatic function for rapid freezing
- Holiday function to minimize energy consumption during long absence avoiding mould and bad odours
- Moveable feature door
