

Adaptive temperature, for total food protection

Ultimate temperature control with ColdSense. Cold sensors monitor temperature in the fridge and in the room, reacting immediately to adjust to the precise temperature. 40% faster cool down and less temperature fluctuation for your food. Produce is kept at its peak, crisp, fruity, full of aroma.

Product Benefits & Features

Lock in nature's goodness, with ColdSense

Automated temperature control with ColdSense. Every time the fridge door is opened and closed; cold sensors react to bring the internal temperature back to normal. Protecting your favourite foods from shock temperature changes, while locking in nature's most subtle flavours.

Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent accidentally open fridge freezer doors that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

- Longfresh
- 1780 mm built-in height
- LowFrost
- TwinTech®
- MultiAirFlow Technology
- Softclosing to easier door closing
- Coolmatic function for quickly chilling fresh food
- Freezer with Frostmatic function for rapid freezing

- Electronic touch controls with digital indications
- Fast freeze function
- Clean Air filter
- Audible and visible warning signal for open door
- "longfresh" zero drawer: 2, Full transparent plastic
- Other internal freezer features: Ice scraper
- 3 Accessory

Ten-years peace of mind

Ten-year warranty on the Inverter Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Electronic Dual Touch Control. Fine-tuned with a touch

Take complete command of every fridge function with Electronic Dual Touch Control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
