

## RKB73924MX Refrigerator

### Adaptable for every taste

Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. Now the Customflex refrigerator from AEG lets you organise your fridge storage just the way you want – enabling you to move and rearrange bins quickly and easily to maximise storage space. Clips for herbs. Clear boxes for cheeses. Secure shelves for dairy, sauces and condiments: all

### Separate your fresh fruit and vegetables in the best way

With vegetable drawers in this refrigerator, you have different options for arranging your food in the way that suits you best. You can either separate fruits from vegetables, or protect softer items from heavier ones.

### Complete flexibility for optimum storage

Storing a week's supply of food in a refrigerator isn't easy, but being able to move the shelves and drawers in the freezer compartment around can make all the difference. Because you can take out the drawers and shelves in this appliance, you can even store large and bulky items easily and make the best use of your space.
