

#### Take complete control of the settings at the touch of a finger

This LED display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that they can be precisely adjusted with just the lightest touch of a finger, while feedback can be viewed at a glance thanks to the clear LED screen on the internal control panel.

### Product Benefits & Features

#### Energy-efficient appliance. Benefits you and the environment

This energy-efficient appliance is optimised to consume less energy. Helping you to reduce your carbon footprint and be kind to the environment.
