

Safe storage for heavy items at every level of your fridge

This refrigerator has shelves of robust safety glass, which can safely support even the heaviest items.

Product Benefits & Features

Intelligent design for simple, effective cleaning

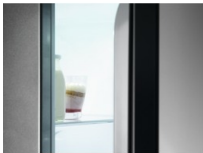

The interior of this refrigerator has specially rounded corners to make cleaning it fast, simple and effective.

- 880 mm built-in height
- For fully integrated, slide door installation
- Mechanical temperature control
- Automatic defrosting of the cooling compartment
- Refrigerator shelves: 3 Full Width, Glass full width with front and rear trim
- Refrigerator drawer(s): 1 Full Width
- Egg tray: 2 for 6 eggs
- Door hinges placement: Right & Reversible

Bright and even light that shines into every corner of your fridge

LED lights represent the most cutting edge lighting technology, which is why AEG has integrated them inside this fridge. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for more space inside
