**Adjust the settings until they suit your needs exactly**

With separately controlled fridge and freezer compartments, this fridge freezer gives you more control options to choose from. You can set the temperatures to match your own specific preferences, and adjust them as and when your needs change.

**Bright and even light that shines into every corner of your fridge**

LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for

**Safe storage for heavy items at every level of your fridge**

The fridge in this fridge freezer has shelves of robust safety glass, which can safely support even the heaviest items.
