

EHDP8740IK BI Hob

Complete control

Seamlessly flat and elegantly designed with a spectacular backlighting, this ceramic glass induction hob offers one-touch precise heating control that top chefs require.

Boost the heat for instant results

When you need to cook really rapidly, the Booster function is perfect. Touch it for an instant burst of heat to boil water in under 90 seconds* – that's even faster than an electric kettle. It's great for last-minute vegetables and other quick cooking jobs too, like

Control at your fingertips

The Touch controls on this hob let you turn the heat up, down or off – immediately. They're precise and easy to use: just use a fingertip to gently slide to the temperature you need. You can be confident they'll do what you want them to at just the right moment, so
