

ZOP27902XU BI Oven

Get more from your Multiplus oven at any cooking level

The Multiplus oven with ring element offers the ideal cooking function for any recipe, and its even heat distribution system lets you cook on several levels at once.

Cook without checking the clock

With the timer function, it's easy to serve dinner at the most convenient time. The timer will alert you when your dish is ready.

The oven that keeps your kitchen safer

When something is baking away in the oven, the last thing you want is someone accidentally injuring themselves on the hot glass door or frame. With this oven's four layers of tempered, heat-resistant glass, you don't have to worry. The oven door and controls stay cool to the touch around 20° higher than standard room temperature, no matter how high the temperature inside.
