

Less defrosting, less work

With the Series 40 Low Frost freezer you won't have to defrost as often. So, less frost means less work for you, and an easier to maintain freezer.

Product Benefits & Features

LowFrost, for less defrosting

The LowFrost function means you won't have to defrost your freezer as often. So it's easier than ever to maintain its performance.

- 880 mm built-in height
- For fully integrated, slide door installation
- LowFrost technology
- Fast freeze function with automatic return to normal
- Freezer drawers: 4 Full Width, Transparent Plast
- Audible and visual warning signal for high temperature
- Other internal features: Ice scraper
- Ice cube tray

OptiSpace has room for tall and large items

OptiSpace is a Freezer that is designed to offer lots of functional storage options. The Freezer boxes can all be easily detached and reattached to suit your specific needs.

Fine-tune settings with electronic control

With the electronic control you can easily control your freezer functions. The convenient display offers effortless access to temperature and other general settings.

Lock in nutrients, with FastFreeze

By quickly cooling ingredients with FastFreeze, the most important nutrients are locked in. So you can enjoy better quality meals when you defrost.

Reliable shelving, with safety glass

The freezer's sturdy shelving is made with safety glass, which is less likely to break compared to normal glass. And because of its smooth surface, and accidental spillages can easily be wiped away in an instant.
