

## ZDF22002WA Dishwasher

### Life is too short to think about washing up

Don't let chores get in the way of life. With its quick-wash program, this dishwasher cleans your dishes in just 30 minutes at 65°C, giving you plenty of time for fun.

### Dry Natural. Easy

The new AirDry technology will easily dry your dishes with natural airflows. The dishwasher door opens up 10 cm in the last part of the program so when you are ready to unload your dishes they will be clean and dry. All natural.

### Completely clean at a time that suits you

Programme the dishwasher cycle to start three hours ahead with the delay function. It's a convenient way of cleaning and unloading dishes when you've got the time or energy. And it also means that you can take advantage of off-peak rates, or run a programme when hot water isn't required elsewhere.
