

ZCV550G1WA FS Cooker

No need to compromise on performance in small kitchens

This cooker is not as wide as standard cookers for easier placement anywhere in your kitchen, while offering the same internal cavity size and cooking capabilities.

Gives you some of the quickest results possible

The ceramic cooking zones on this hob heat far more rapidly than solid hot plates, enabling you to boil water and cook meals even faster.

An oven and pizzeria in one!

In the mood for crisp, tasty pizza? Select the special Pizza setting to get 'good-as-a-restaurant' results.
