

ZEE6041XA BI Hob

A great starter hob for just about anyone

This solid-plate electric hob is perfect if you're looking for an easy, no-fuss cooking appliance, and it offers outstanding value for money as well!

Who says that hot-plate cooking has to be slow?

The rapid-zone hot plates on this hob heat up quicker than traditional hot plates so you can get cooking faster.

More flexibility in hot-plate cooking

The two different-sized hot plates on this hob are suitable for pots and pans with a variety of dimensions, for easier and more flexible cooking.
