

Create exactly the cooking layout you want or need

Domino hobs are ideal for small kitchens, but you can also mix, match and combine them to create your own tailor-made cooking centre.

Product Benefits & Features

Ultra-fast reactions

The ideal hob for busy people! The fast-reacting induction hob speeds up your cooking.

- Independent hob with controls
- Hob type: Induction
- Frame type: Standard Frame, Stainless Steel
- Rotary knob controls
- Pot detection
- Ceramic glass colour:

Hands down – the easiest hob to clean!

With induction cooking, heat can be instantly cut if food looks to boil over and, if it does, it won't burn onto the cooler surface. You can just wipe it clean!

Perfectly matched heating for all your pots and pans

The two different-sized cooking zones on this hob are suitable for pots and pans with a variety of dimensions, for easy, flexible cooking.

The safer way to create your favourite dishes

An Induction Hob cools down quickly, so you can enjoy cooking with less worry and risk, and more peace of mind.

Fast, effective – and energy efficient

With induction heating, the heat energy goes directly into the pan, with none of it being lost in the kitchen environment. An easy way to cook a little 'greener'!

Product Specification

Installation	Independent	Weight package Polystyrene (EPS/EPP)	320
Product Number Code	949 738 678	Country of origin	IT
EAN	7332543177769		
Built in height mm	43		
Width mm	290		
Depth mm	510		
Width cutting	270		
Depth cutting	490		
Frame Colour - colour of the frame	Stainless Steel		
Hob type	Induction Full		
Cord length external	1.6		
Type of plug	No		
Total electricity loading	3200		
Middle front - Power/Diameter	1400W/140mm		
Middle rear - Power/Diameter	1800W/180mm		
Voltage	230		
Weight gross cleaner and accessories with packaging	5.9		
Weight net cleaner and accessories no packaging	5.5		
Package height	120		
Package width	400		
Package depth	620		
Weight package PE	80
