

ZES3921IBA BI Hob

Create exactly the cooking layout you want or need

Domino hobs are ideal for small kitchens, but you can also mix, match and combine them to create your own tailor-made cooking centre.

Gives you some of the quickest results possible!

The ceramic cooking zones on this hob heat far more rapidly than solid hot plates, enabling you to boil water and cook meals even faster.

The less-housework hob!

The smooth ceramic glass surface of this hob makes for less housework, and more fun! All it takes is a few wipes to leave it sparkling clean.

More Benefits :

- Two different cooking zones for more flexibility
