

ZEV6140NBA BI Hob

Gives you some of the quickest results possible!

The ceramic cooking zones on this hob heat far more rapidly than solid hot plates, enabling you to boil water and cook meals even faster.

Reduce your worries about kids in the kitchen!

This hob's control knobs are located on the side, where it's much more difficult for little fingers to get to them. Safer for kids, less stress for you!

Perfectly matched heating for all your pots and pans

The two different-sized cooking zones on this hob are suitable for pots and pans with a variety of dimensions, for easy, flexible cooking.
