

ZGH62412XA BI Hob

Hob installation, in a snap

Installing the gas hob from Zanussi is quick and easy with our new snap-in system. Simply line it up with the space on your worktop and it will snap into place. No need for brackets or screws – just a smart, seamless fit.

Making cooking look good

Classy and understated, the Zanussi hob looks as good as it performs. Its slim design takes up little space while offering everything you need. The modern finish fits any room design, so it looks right at home with your kitchen style. And, of course, it's ideal for cooking excellent meals.

Hob control, dialled up

We've improved the responsiveness of the gas hob, so you can quickly and accurately control the power of the flame. Meaning that you can simply set the right temperature for your dish.

More Benefits :

- Side knob controls for extra safety, less stress
- Our safety detector automatically turns off your gas supply if the flame goes out, making cooking safer.
- Hob with enamelled pan supports for easy cleaning

Features :

- Hob type: Gas
- Rotary knob controls
- Gas safety thermocouples: gas is cut off at source if the flame fails
- Electric ignition through push button
- Enamelled pan supports
- Gas conversion kit

Technical Specs :

- Product Number Code : 949 640 564
- EAN : 7332543587315
- Built in height mm : 43
- Width mm : 594
- Depth mm : 510
- Width cutting : 550
- Depth cutting : 470
- Hob type : Gas
- Cord length external : 1.5
- Left front - Power/Diameter : 3000W/100mm
- Rear - Power/Diameter : 2000W/70mm
- Right front - Power/Diameter : 1000W/54mm
- Right rear - Power/Diameter : 2000W/70mm
- Voltage : 220-240
- Weight gross cleaner and accessories with packaging : 7.4
- Weight net cleaner and accessories no packaging : 6.8
- Package height : 152
- Package width : 670
- Package depth : 592
