

### Induction heating with automatic hood

The Series 20 induction hob promises fast, efficient heating for every meal. And when paired with Hob2Hood®, cooking smells are automatically extracted. The hood's fans are wirelessly connected to the hob, and will speed up or slow down depending on the temperature.

## Product Benefits & Features

### Induction hob is easy to clean, fast and safe

Induction technology only heats the base of the pan, so the surrounding area will remain cool to the touch. And seeing as the surface is completely smooth, it's easy to clean with the wipe of a damp cloth.

### Automatic fans, with Hob2Hood

With Hob2Hood technology, the fans overhead will adjust on their own based on your hob's settings. As you cook, the fans will speed up or slow down to match any temperature changes you make. So you can forget about hood settings, and focus on your tasty meal.

### Touch Controls, designed for easier cooking

Specify cooking levels, set timers and adjust temperatures with the Touch Controls. The operation panel is embedded directly into the hob's glass. For full cooking control with a few taps.

### Intense heat when you need it, with PowerBoost

The PowerBoost function is designed for intense heat on demand. Boil water quicker than the kettle, or turn up the temperature under your griddle pan for searing and sealing steaks. Built for convenience, to make preparing your favourite meals easier.

### No overcooking with Timer function

When the timer you've set runs out, the hob will automatically switch off the heat. It can be set to a maximum limit of 1.5 hours, which means that even if you're concentrating on a few different things at once, your meal will be ready when you are.

- Independent hob with controls
- Hob type: Induction
- Number cooking zones
- Frame type: Promise standard, Stainless Steel
- Induction zones with power booster function
- Illuminated controls
- Automatic fast heating up
- Pot detection
- Timer function
- Acoustic signal
- Child safety lock function
- Key-lock function
- Hob safety:
- Ceramic glass colour: Black

## Product Specification

Installation	Independent
Product Number Code	949 492 426
EAN	7332543719334
Built in height mm	46
Width mm	576
Depth mm	506
Width cutting	560
Depth cutting	490
Frame Colour - colour of the frame	Stainless steel
Hob type	Induction Full
Cord length external	1.5
Type of plug	No
Total electricity loading	7350
Left front - Power/Diameter	2300/3700W/210mm
Rear - Power/Diameter	1800W/180mm
Right front - Power/Diameter	1400/2500W/145mm
Right rear - Power/Diameter	1800W/180mm
Voltage	220-240/400V2N
Weight gross cleaner and accessories with packaging	11.4
Weight net cleaner and accessories no packaging	10.57
Package height	118
Package width	678
Package depth	600

Weight package Corrugated Cardboard	640
Weight package Paper/Carton	0
Weight package Wood	0
Weight package PE	0
Weight package PP	5
Weight package Polystyrene (EPS/EPP)	217
Weight package PU	0
Weight package Iron	0
Weight package Rubber	0
Country of origin	RO
