

## ZFM15100SA Microwave Oven

### Save time and hassle at every meal

When time is short, this oven's microwave function just makes life a little easier. It enables you to heat up or defrost your meals at the touch of a button.

### Relax and get on with other things while meals gets ready

Simply pop your food in the microwave and get on with other things you want to do. The end-of-program alert will let you know when it's ready to serve.

### Get the most out of your frozen meals

To help you save time and get the most out of frozen foods, this microwave features a quick and gentle defrosting function.
